This week long experience for **youth ministers** is the most practical youth ministry planning ever offered. With Calendar's in hand you will walk out of this training with the next year of your ministry planned. You will start with a thorough assessment of your current ministry. From there you will plan everything from Life Nights, Core meetings, trainings, retreats, trips, budgets, and ministry outreach. The evenings will take you deeper in your spiritual growth and help you find the balance you have been looking for in your ministry. Spots for this intense training are limited to 75 youth ministers, so don't hesitate to sign up because you won't want to miss it!
